

Equality Impact Assessment – Review of Existing Policies & Function

Completed by

Assisted by

Name of Business Equality and Human Rights Strategy and action plan
Unit Assessed

Date of report May 05

Summary

This strategy and action plan was consulted upon as it forms the basis for Children's Services

It is a mechanism to monitor and promote equality within the service. It is the second year for part of the service that this has been undertaken and it is anticipated that each year a better grounding is established so that it is embedded into business units work and outcomes
