Kitchen facilities are very limited. HOT MEALS CANNOT BE PREPARED OR SERVED from the kitchen areas.
Hirers must book and pay for additional rooms and facilities. If rooms are used at short notice an account will be sent to cover the hire charges.
After all day bookings, hires are reminded that they and their agents must be clear of the building by 12.30am. If the Hallkeeper or his/her representative is unable to lock the building at this time a surcharge will be made in accordance with the official scale of charges.
FAIRS, BAZAARS, JUMBLE SALES AND SIMILAR EVENTS
Would you please note that when you are organising an event involving the provision of stalls, the Council does not permit commercial sales at such events, except at existing Pannier and Bric-a-Brac markets already approved to operate as such.
All fund raising stalls must be raising money for either charitable, social or local organisations or a non-commercial nature. If you are booking your event in the name of your organisation and you wish to allow charitable or non-commercial organisations to use a stall at the event, then you must indicate this fact on the booking application form. The Council does not object to this type of sub letting. You should <u>not</u> allow market traders or ‘car boot’ traders to use stalls at charitable events. Failure to comply with this request may involve your organisation paying the full commercial rate for the hire of the hall or room.
