Details of your proposal:

What are the objectives of your action research?

What will be the planned activities?

How will the outcomes contribute to pupils' learning

How will the outcomes contribute to improvement priorities in your school

How will the outcomes contribute to your own professional/career development?

How do you envisage your findings will be disseminated to other Torbay schools?

Are you seeking to accredit this work through SWIFT? Yes No

If yes, additional funding may be available by application to the SWIFT programme.

Please contact: Grahame Sherfield (01803 208217) grahame.sherfield@torbay.gov.uk for further details.

I understand that by applying for TARS funding that, if successful, I agree to:

- carry through my action research proposal within an agreed timescale
- disseminate my findings to other schools in Torbay using an agreed medium
- details of my action research being made available to Torbay schools

Signed (applicant)

I fully support the proposal outlined above which, if approved, will involve this member of staff carrying out school-based action research with dedicated LA funding of £500.
